

Welcome to the 2025–2026 School Year!

Dear SCPA-German Village Families,

We are thrilled to welcome all of our students, families, and staff back to school! We hope you had a wonderful summer filled with rest, joy, and meaningful memories. As we begin another school year, we are excited to continue our journey of academic excellence and strong character development at **South Columbus Preparatory Academy at German Village**.

Our school's vision remains at the heart of everything we do:

"South Columbus Preparatory Academy at German Village provides a tailored, exceptional educational experience to students of all backgrounds and prepares 100% of its students with the knowledge, skills, and habits needed to be strong leaders."

Here at SCPA-German Village, we **ignite, inspire, empower, and lead our EAGLES to greatness**.

Being an EAGLE

This year, we are asking all of our students and families to embrace the values of an **EAGLE**:

- Empower each other
- Accomplish our goals
- Guide others to success
- Lead one another to greatness
- Energize learning
- Support fellow scholars and staff

These core values reflect who we are and what we stand for as a school community. We hope you will join us in encouraging every student to **be their best self each day** by living out these EAGLE values.

Our Commitment to Excellence

I am personally excited to continue my leadership at SCPA-German Village and to welcome all our new families. As a parent of two young children myself, I understand the importance of creating a nurturing and academically strong environment during these critical formative years. It is my goal to foster a school culture that is **inclusive, diverse, and driven by the pursuit of greatness**.

Our dedicated team of educators has worked hard throughout the summer to prepare engaging and welcoming classrooms for our scholars. We are also deeply grateful to our support staff and custodial

team for ensuring our school is in top shape. Our administrative team continues to work behind the scenes to provide a smooth and positive start for all.

Creating a Safe & Supportive Environment

SCPA-German Village is a special place to learn and grow. We hold high expectations for every student and are proud of the kind, compassionate, and curious learners who make up our community. Our goal is to make every student feel **valued, accepted, and safe**—because we believe that when students feel supported, they are empowered to lead.

As part of our commitment to student success, we are placing continued emphasis on **social-emotional learning and classroom community building**. We understand that some students may feel anxious or overwhelmed at the start of the year, and we are here to support them socially, emotionally, and academically.

Stay Connected

Family partnership is vital to our success. We encourage you to stay informed and engaged by visiting our **district website** and following us on our **Facebook page**. Your involvement plays a crucial role in helping students thrive both inside and outside the classroom.

Save the Date
