

WELCOME TO THE 2026–2027 SCHOOL YEAR!

Dear SCPA-German Village Families,

Welcome to a brand-new school year! On behalf of our entire staff, I am excited to welcome both returning and new families to South Columbus Preparatory Academy at German Village. We hope your summer was filled with fun, relaxation, and meaningful time with loved ones.

As we begin another year together, we remain committed to providing every student with an exceptional educational experience that prepares them to achieve their fullest potential both inside and outside of the classroom.

At SCPA-German Village, we strive to:

- INSPIRE students to meet their full potential.
- EMPOWER students to be agents of change.
- CULTIVATE young people to LEAD.

Together, we are committed to cultivating excellence, leadership, and character in every scholar who walks through our doors.

Our Eagle community is built on high expectations, strong relationships, and a belief that every child can succeed. This year, we encourage all students to demonstrate what it means to be an EAGLE every day: Empower one another, achieve academic excellence, grow through challenges, lead with integrity, grow through challenges, lead with integrity, engage in learning and support our school community. When students embrace these values, they become leaders both in the classroom and beyond.

As Principal, I am honored to continue serving the students and families of SCPA-German Village. We believe that every child deserves a safe, supportive, and engaging learning environment where they are challenged to grow academically and personally.

Throughout the summer, our teachers and staff have worked diligently to prepare classrooms, enhance instructional practices, and create meaningful learning experiences for our students. We are excited to partner with families to ensure every scholar experiences success this year.

NEW FOR THE 2026–2027 SCHOOL YEAR:

All middle school students (grades 6–8) will be required to carry clear bookbags. Non-clear bookbags will not be permitted. We ask families to ensure students have an approved clear bookbag prior to the first day of school.

In addition to physical safety, we continue to prioritize social-emotional learning and relationship-building to help students develop confidence, resilience, and leadership skills.

Family Partnership Matters: We know that student success is strongest when schools and families work together. We encourage you to stay connected through school communications, our website, social media pages, family events, and parent meetings throughout the year.

Your involvement, support, and partnership make a tremendous difference in the success of our scholars.
